New

A new year, a new style. We made our website more compact and simple. We will add also more examples and movies. We hope you enjoy your visit and do not forget to react :) 

Roger and Robert Busschots

This is a site dedicated to interactive media, video productions, web design, multimedia, graphic design, animation, new media and digital effects.

Facets of a genius

Four exhibitions on the life and work of Christiaan Huygens, and on the mission to Titan Saturn's largest moon, discovered by Huygens. Infofilm made the motion graphics. An initiative of the European Space Agency. Click here for more information:
